

The Modesty of Women

Naturally makes them shrink from the delicate questions, the obnoxious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription write in appreciation of the cure which dispensed with the examinations and local treatments. There is no other medicine so sure and safe for delicate women as "Favorite Prescription." It cures debilitating drains, irregularity and female weakness. It always helps. It almost always cures. It is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle-wrapper; contains no deleterious or habit-forming drugs, and every native medicinal root entering into its composition has the full endorsement of those most eminent in the several schools of medical practice. Some of these numerous and strongest of professional endorsements of its ingredients, will be found in a pamphlet wrapped around the bottle, also in a booklet mailed free on request, by Dr. R. V. Pierce, of Buffalo, N. Y. These professional endorsements should have far more weight than any amount of the ordinary lay, or non-professional testimonials.

The most intelligent women now-a-days insist on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them. "Favorite Prescription" is of known composition. It makes weak women strong and sick women well.

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send to Dr. R. V. Pierce, Buffalo, N. Y., 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound. If sick consult the Doctor, free of charge by letter. All such communications are held sacredly confidential.

Dr. Pierce's Pleasant Pellets invigorate and regulate stomach, liver and bowels.

Scrubs Were Trampled.

The Wentworth scrubs felt the pang of defeat again Saturday, the conquerors this time being the light but well trained warriors from Westport high school, Kansas City. The score was 16 to 5. The Westporters were coached to the minute and this fact combined with the possession of superior speed, good luck and more heady generalship was the chief cause which put the local boys on the toboggan. It was one of the most spectacular gridiron battles waged upon the Wentworth field this season, despite its unimportance. At frequent intervals the cadets came within an ace of making the necessary number of points to give them victory but the opportunities seemed always to fall to materialize.

During the running off of the first few plays, it was easy to see that the teams were about as evenly matched as possible. The principal lodging place of the ball was in the middle of the field and for a time a terrific battle was fought around this territory. The game was a booting duel from the start and the Westport kick-er had a shade the better of the deal. Westport's first touchdown was the direct result of a returned punt. Welsh received Campbell's punt in mid field and, evading the two men who were in his way, lugged the ball about 50 yards for the first score. This was all the scoring in the first mixup.

In the second half, the cadets started in furiously and attempted to win by straight football. Several times was the enemy's goal in danger, but for some reason or other it was crossed but once. The soldier's score came about in this wise: the ball was in their possession and was being pushed steadily toward the cherished goal. The cadets seemed to be running Westport in to the ground. Finally Sheperdson, who had been playing a star game for his team all through, found a hole and squeezed through. He galloped about 30 yards before being dumped. The cadets had about 7 yards to make in three downs and the rest was easy. Campbell failed to kick goal. The Wentworth galaxy of stars were: Steele, Wheeler, Pollock and Sheperdson. The two Wentworth off-springs on the Westport team, Chapman and Welsh, were the backbone of the opposing machine. The halves were 25 minutes. The crowd attending was small.

Only the immediate relatives witnessed the ceremony.

Mr. Ramey is one of the best known and most popular young farmers in this county. The bride is also well known here. She is a sister of Mrs. William H. Chiles and has often visited in this city. She is extremely popular among her acquaintances.

A FAMOUS BEAUTY SPECIALIST

Gives Advice To Women Lacking In Energy and Vitality.

Thousands of women are using toilet preparations unsuccessfully. Cosmetics fail to improve their thick, muddy complexions or to banish the pimples, blackheads and crow's feet.

No wonder. Their trouble lies far deeper than the skin. They have bad blood, and bad blood in 90 per cent of the cases arises from inflammation of the mucous membrane. Their blood is filled with poison which is certain to break out in unsightly humors and blotches—while pale, drawn faces, deep circled eyes, stooping shoulders and weak backs complete the story of suffering and despair.

Inflammation of the mucous membrane is catarrh. Banish catarrh and complexions will clear as if by magic, pain vanish, eyes will brighten, faces become plump and shoulders erect. Perfect beauty goes only with perfect health, and perfect health for women can only be obtained through Rexall Muc-Tone, the one positive and permanent cure for catarrh.

Mme. Swift, 44 W. 26th St. New York City, the most famous beauty specialist in the world and an accepted authority on all relating thereto, has this to say of Muc-Tone:

"I can strongly endorse the claim made for Rexall Muc-Tone as a cure for systemic catarrh. Its tonic effects are remarkable. It builds up the strength and restores vitality. If women who are tired and run down, lacking in energy and vitality, will use Muc-Tone, they will praise it as I do its strengthening and healing qualities."

Rexall Muc-Tone works through the blood, and acting directly upon the mucous cells—the congestion and inflammation of which are the sole cause of catarrh—causes them to expel the poison and to resume their natural functions. Thus the membranes are cleansed—the blood purified and revitalized.

We know that Rexall Muc-Tone will cure every form of catarrh, no matter where located, or how long standing, or by what other name it is known. We guarantee to refund your money if you are not satisfied with the vigorous health and clear complexion it brings you.

How to Cure Indigestion

Well Known Family Physician Gives Good Advice

"When a person cannot eat ordinary food without discomfort afterward, when he has heartburn, sick headache, gas on the stomach, water brash, belches up sour food, and this condition has continued for a week or more, it certainly is time to do something and do it quickly. That's what a popular physician recently said to the writer. 'First thing you know you'll have dyspepsia if you don't,' said he.

The quickest and best way to regain your normal condition is to step into the drug store and buy a 50c bottle of Dr. Caldwell's Syrup Pepsin. It gives natural, daily movements to the bowels, and that is usually where more than half the trouble lies. Then it aids digestion, sweetens the stomach, acts on the liver and is a general system tonic.

Postmaster Ridgill, of Bruceville, Tex., had such a severe attack of dyspepsia that his stomach, liver and bowels seemed almost paralyzed, but a few doses of Dr. Caldwell's Syrup Pepsin relieved him and today he is well as ever. Maude Hall, Alpena, Mich., says that one bottle cured her of a very severe case of indigestion. A. L. Eschler, Chief of Police, New Philadelphia, Ohio, says: "I find Dr. Caldwell's Syrup Pepsin the best remedy for indigestion I ever used. I would not be without it." Rev. A. J. Fletcher, Rutherford, Tenn., is now 60, and yet it cured him of stomach trouble of 60 years' standing. Mrs. Mattie Crouch, Tiptonville, Tenn., cured her five months' old baby of indigestion with it, so you see that while it is so effective it will cure cases of long standing of dyspepsia and constipation in old people, it is perfectly safe for babies, and it is pleasant to take, and does not pain or gripe.

All druggists sell it at 50c and \$1.00 per bottle. Pepsin Syrup Co., 307 Caldwell Bldg., Monticello, Ill., are glad to send a free sample to any one who has not used it and will give it a fair trial.

A Cough Medicine

Ayer's Cherry Pectoral is a regular cough medicine, a strong medicine, a doctor's medicine. Good for easy coughs, hard coughs, desperate coughs. If your doctor endorses it for your case, take it. If not, don't take it. Never go contrary to his advice.

We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor.

The dose of Ayer's Pills is small, only one at bedtime. As a rule, laxative doses are better than cathartic doses. For constipation, biliousness, dyspepsia, sick-headaches, they cannot be excelled. Ask your doctor about this.

Made by the J. C. Ayer Co., Lowell, Mass.
